

HEATING EQUIPMENT REBATE

Arkansas and Oklahoma

Rebates will be paid on a first-come, first-serve basis and are subject to budget availability and program changes. Applicants have up to 120 days from the installation of the natural gas equipment or natural gas meter to submit a rebate application. If the 120 days have passed, the applicant may still be eligible for a rebate if the Program Year budget has not been exhausted.

SEE OTHER SIDE FOR COMPLETE INSTRUCTIONS.

It is the responsibility of the purchaser to ensure that the program requirements are met.

QUALIFICATIONS

The qualifying equipment must be installed in a home or business served with natural gas from Arkansas Oklahoma Gas and must meet the following efficiencies:

EQUIPMENT	EFFICIENCY LEVEL*	CUSTOMER REBATE	INSTALLER REBATE
Natural Gas Furnace	90% to 94.9% AFUE	\$400	\$ 50
Natural Gas Furnace	95% AFUE or higher	\$800	\$ 50

Efficiency Level: AFUE = Annual Fuel Utilization Efficiency

Participants must have an active gas account with Arkansas Oklahoma Gas (AOG).

New equipment efficiencies are determined by AHRI (ahridirectory.org). AOG recommends verifying eligibility through ahridirectory.org or by requesting a copy of the equipment's AHRI certificate from your installer or dealer.

All submissions must include dated sales invoices/receipts. Invoices/receipts must include equipment retail price, brand, model number, and serial number.

No rebate will exceed equipment purchase price.

Rebates will be paid on a first-come, first-serve basis and are subject to budget availability and program changes. Applicants have up to 120 days from the installation of the natural gas equipment or natural gas meter to submit a rebate application. If the 120 days have passed, the applicant may still be eligible for a rebate if the Program Year budget has not been exhausted.

Builders and installers are eligible to receive their customer's rebates if a discount to the customer for the rebate amount is shown on the submitted invoice.

Natural gas equipment replacing electric equipment is not eligible for a rebate.

Equipment installed under warranty replacement is not eligible for a rebate.

Please allow 6-8 weeks from the date a completed application is submitted to receive a rebate payment.

Arkansas Oklahoma Gas reserves the right to inspect all rebated equipment.

Rebate offer applies only to new thermostats only. Refurbished models are not eligible for this rebate. For smart thermostats meeting the requirements listed, AOG will pay a \$100 rebate. Please include a breakdown of the associated thermostat cost with furnace invoice submission.

ENERGY STAR-certified smart thermostat (see energystar.gov) installed in a residentially-metered building Rebates limited to 2 units per residence/Contract Account OR number of rebate-eligible furnace installed concurrently, whichever is greater (Ex. if installing smart thermostats with 3 rebate-eligible furnaces, all 3 smart thermostats are eligible for a rebate).
